
**Jim Maher, CEO of Archford Capital Strategies
Honored for Charitable Work with St. Louis Community Foundation**

Swansea, IL – September 27, 2018 – Jim Maher, Donor Advisor and Advocate for the St. Louis Community Foundation in St. Louis, MO, received Honorable Mention for philanthropic excellence in the twelfth annual Invest in Others Awards.

The Invest in Others Charitable Foundation established its awards program to recognize the charitable work of financial advisors and financial services firms in communities across the country and around the world.

Financial advisors are nominated by their peers for actively giving back to non-profits to improve their communities and make a difference in the lives of others. Hundreds of inspirational nominations for the Invest in Others Awards were received this year and reviewed by a diverse panel of leaders in the financial services industry. Those earning Honorable Mention were selected based on their leadership, dedication, contribution, inspiration, and impact on a non-profit and the community it serves.

Jim has worked with the St. Louis Community Foundation as a Give Day sponsor since its inception and was named Largest Donor Advisor by the Foundation in 2009. Jim continues to help clients and advisors understand the importance of philanthropy and the work the St. Louis Community Foundation is doing to assist in this mission.

The twelfth annual Invest in Others Awards Gala, a premier event attended by over 700 financial advisors and financial services executives, is September 27, 2018 in Boston. Awards will be presented in the following categories: Catalyst, Community Service, Global Community Impact, Volunteer of the Year, Lifetime Achievement, and Corporate Philanthropy.

About the Invest in Others Charitable Foundation

The inspiration for the Invest in Others Charitable Foundation came directly from the financial advisors who invest in others by giving back to their communities with overwhelming generosity and dedication. Since its founding in 2006, Invest in Others has amplified these efforts by providing a platform for advisors to increase awareness, visibility, and funding to their favorite non-profits.
